

MAKE THE IMPOSSIBLE POSSIBLE

- PROJECT EXAMPLES

**DEAR SIR OR
MADAM,**

**IN JAPAN,
BULLET TRAINS ARE A
FAST AND FAMOUS
WAY TO TRANSFER.**

**TO BECOME THAT
FAST, THE TRAIN'S
BODY FRAME IS
ROUNDLY SHAPED
AND CURVED.**

**TO MATCH THE
CURVED FRAME,
WE HAVE USED
OUR
"SHYZIP" SYSTEM
IN ORDER TO
FOLLOW THE BODY
SHAPE.**

**BY USING THE
"SHYZIP", YOU
WILL BE ABLE TO
STOP THE SCREEN
ANYWHERE.**
